

Group Size

Group sizes range from 6 - 15 young people, with a support ratio of 1:4 leader to YP. We value small group adventures as this allow us to provide a fun, safe and supportive environment for all participants. For our K'gari camps we have smaller sizes, with no more than 15 young people

Adventure

Come along on our 4 day adventure and explore the worlds largest sand island, world heritage listed K'gari by 4WD. During this adventure you will see the infamous Maheno Wreck, float down Eli Creek, Stand up Paddleboard in Lake McKenzie and swim in Champagne rock pools.
