Weekend Respite Camps

Adventure

Come along on our two-day adventure. We partner with Emu Gully, and camp at their Tamborine Village site., where we enjoy team building challenges, activities, exploring and nightly campfires. We also can make art, fish, and many other great things Everything is challenge by choice, and you will love spending time in the beautiful surrounds of Mt Tamborine..

Groups

We specialise in sibling groups and are happy be flexible with age ranges. We have 2 – 4 leaders each camp, depending on size. We value small group adventures as this allows us to provide a fun, safe and supportive environment for all participants.

We also offer on request, one-on-one support during our camps for young people who may have higher needs, ensuring they receive personalised care throughout their camp experience. This support is provided in a non-intrusive way so that the young person feels included and no different from their peers.
